- Minor in Management Science and Economics.
- Relevant Courses: Probability and Statistics, Microeconomics, Macroeconomics, Accounting, Linear Algebra, Differential Equations, Computation Structures, Circuits and Electronics.

Experience: **MIT MEDIA LAB** **CAMBRIDGE, MA**
Research Assistant *January-May 2009*

- Added features on a worldwide network (Computer Clubhouse) of after-school centers where young people (ages 10-18) from low-income communities learn to express themselves creatively with new technologies.
- Implemented "CoolPing" feature and other online collaborative design tools that enabled people to compliment others' projects with one click and it largely promoted interactions between users.

MIT SLOAN BUSINESS SCHOOL **CAMBRIDGE, MA**
Research Assistant *September 2009-Present*

- Participated in Professor Yasheng Huang's "China Economy Policy and Industrial Organization" project.
- Transformed and re-organized dataset of Chinese firms from year 2006-2007 in order to determine the effect of Chinese liberalization policies on co-location.

TAURUS EDUCATION **SHANGHAI, CHINA**
Intern *June-August 2009*

- Marketed and promoted services for an education startup that prepares talented Chinese students for college education in the US by organizing and presenting seminars in various cities in China.
- Persuaded potential clients into choosing our service and guided more than 20 students through various parts of college application process.
- Worked closely with admission officers by helping them organize info sessions in China.

ENTREPRENEUR JOURNEYS **CAMBRIDGE, MA**
Marketing Intern *January, 2009*

- Conducted various plans to market for a book called Entrepreneur Journeys Vol. 1 including writing reviews on Amazon and creating a Facebook group that connects about 400 entrepreneurs around the world.
- Collaborated with the MIT book store-COOP and convinced them to carry the book.

Leadership: **MIT TECHNOLOGY FAIR** **CAMBRIDGE, MA**
Corporate Relations Committee Chair (09-10), Spokesperson(08-09) *September 2008-Present*

- Researched and contacted technology companies to invite them to come to the annual Technology Fair, which had the attendance of 70 companies and over 2000 students in February 2009.
- Led a team of 10 members and trained them on how to successfully convince company representatives to sponsor our event and guide them through the process.

MIT SOCIETY OF WOMEN ENGINEERS (SWE) **CAMBRIDGE, MA**
Campus Social Chair *January 2009-Present*

- Worked closely with MIT students and promoted interactions between them by presenting study breaks.
- Organized the "Meet the Professors Dinner" which creates opportunities for MIT students to get to know their professors better on a personal level.
