EXPERIENCE

US Army (Logistics Branch)
Logistics Officer, Anniston, AL 2011-2012
Managed operational logistics for an organization of 445 people, directed \$1.5M budget, and led a staff of ten supply, maintenance, and procurement professionals

- Designed and implemented new accountability system, uncovering \$200K in savings
- Selected above peers to serve as the temporary aide-de-camp for the Alabama Adjutant General
- Rated by Battalion Commander as the top Captain of four on first performance review

Transportation Company Commander, Newport News, VA and **Camp Taji, Iraq (2009-2010)** 2009-2011
Led 55 personnel through mobilization training, a one year deployment, and eight months of recovery

- Managed transportation for 70,000 cargo trucks and 95,000 personnel while deployed; received Silver Streamer Award for Logistics Excellence
- Supervised construction of \$500K helicopter terminal and coordinated first cargo movement from Camp Taji Airfield; achievements were cited in the Army Times and received General Officer commendation
- Established relationships with Iraqi Transportation Network representatives that contributed to decreased empty assets leaving from Camp Taji and improved cargo assignment accuracy

Supply Officer, Virginia Beach, VA 2008-2009
Managed \$1.6M budget, led multi-functional staff of 40 personnel, supervised seven maintenance programs (\$75M of equipment), oversaw post dining facility, and directed operational logistics for 862 soldiers

- Selected for position by Battalion Commander ahead of rank benchmark
- Analyzed, allocated, and monitored \$1.6M budget; decreased fiscal year expenses by 10%, saving \$120K
- Created innovative solution to a critical shortfall and completed a \$250K sole source contract with a French vendor to procure the product ahead of schedule
- Rated as top Lieutenant of 12 on performance review and selected to interview for company command

Platoon Leader, Virginia Beach, VA 2006-2008
Led 54 logistics specialists, responsible for \$5M of equipment, and managed \$90K budget

- Planned and implemented employee evaluation and award system, reducing cycle time by 30%
